Contact Person: Stanislav Lysáček (Export Dpt.)

Established in 1991, BONAVITA is the largest producer of breakfast cereals in the Czech Republic. Rooted in the ethos of "good life," we are committed to developing and delivering products that embody this philosophy. Our dedication to quality is exemplified by the IFS quality standard certificate that underscores our commitment to excellence.

Additionally, a significant portion of our product line is produced for private label partnerships with business associates. With a robust presence in international markets, BONAVITA proudly exports to over 60 countries, constituting more than 50% of our total sales.

BONAVITA's production portfolio includes:

- | | | |
